Information Security Virtual Intern
Sep 2023 - Nov 2023

FORTINET

Completed a virtual internship at Fortinet, specializing in Information Security. Gained a strong foundation in cybersecurity fundamentals and developed awareness of Fortinet products.

PROJECTS

Farmer Friend App

Developed the 'Farmers Friend' app with a mission to empower farmers. The app serves as a comprehensive guide, offering information on crop diseases for various crops and providing solutions using both inorganic and organic fertilizers. Additionally, it keeps users informed about the latest agricultural technologies and central and state agriculture schemes, enhancing accessibility to valuable resources for farmers.
